**SMART Modular Technologies to Present at the
Stifel Nicolaus 2011 Technology, Communications and Internet Conference**

NEWARK, CA – January 27, 2011– SMART Modular Technologies (WWH), Inc. (SMART) (Nasdaq: SMOD), a leading independent manufacturer of memory modules and solid state storage products, today announced that Barry Zwarenstein, Senior Vice President of Finance and Chief Financial Officer, will present at the following conference:

Event: Stifel Nicolaus 2011 Technology, Communications and Internet Conference
Date: Thursday, February 10th, 2011
Time: 2:05 – 2:35 PM Pacific Time
Location: The Fairmont Hotel, San Francisco

Live and recorded audio webcasts of SMART's presentation will be available on the Investor Relations section of the company's website at www.smartm.com. The recorded audio webcast will be archived and available for approximately two weeks.

About SMART

SMART is a leading independent designer, manufacturer and supplier of electronic subsystems to original equipment manufacturers, or OEMs. SMART offers more than 500 standard and custom products to OEMs engaged in the computer, enterprise, industrial, networking, gaming, telecommunications, defense, aerospace and embedded application markets. Taking innovations from the design stage through manufacturing and delivery, SMART has developed a comprehensive memory product line that includes DRAM, SRAM, and Flash memory in various form factors. SMART also offers high performance, high capacity solid state drives, or SSDs, for enterprise, defense, aerospace, industrial automation, medical, and transportation markets. SMART's presence in the U.S., Europe, Asia, and Latin America enables it to provide its customers with proven expertise in international logistics, asset management, and supply-chain management worldwide. See www.smartm.com for more information.
